

## PRESS RELEASE

### BAN KI - MOON: TIBET NEEDS DIALOGUE!

**From 10th till 13th June 2014 , 20 Tibetans will alternately prostrate in front of the Palais Wilson and Palais des Nations to call on the Human Rights' Council and the United Nations to help in resolving the issue of Tibet peacefully through dialogue between the Tibetan and Chinese authorities.**

Since 21st March 2014, the Tibetan Community in Switzerland & Liechtenstein has been knocking again at the door of the UN at the Palais des Nations. Further actions will follow on these dates:

- 13<sup>th</sup> June 2014
- 9<sup>th</sup> September 2014
- 27<sup>th</sup> February 2015

We are calling on Mr. Ban Ki-Moon, Secretary General of the United Nations, to:

- Press the People's Republic of China to drop all preconditions to negotiations and resume the dialogue with His Holiness the Dalai Lama's Representatives to resolve the Tibet question
- Act as a bridge-builder between the Tibetan and Chinese authorities
- Call on and mobilize the world leaders to support the process of dialogue
- Assist H. E. Ms. Navanethem Pillay to carry out the fact-finding mission to Tibet now
- Call on China to end the repression in Tibet and look into the root causes of the Tibetan people's discontent and sufferings.
