

If you feel like supporting my campaign, I would be very grateful, if you could sign the below petition which will be handed over to the United Nations by the end of my campaign on March 10, 2012.

Thank you!

Dawa Sara

I support this campaign by Sara Dawa and his following demands:

- Allow His Holiness to do a pilgrimage towards the Wutaishang (holy mountain in China)
- Release the Panchen Lama, Tibets second most important leader, who has been taken into custody at the age of 6.
- Stop the pollution and start taking care of the environment in Tibet. Stop the miss-using of our natural recourses.
- Release of all political prisoners who are in custody without any fair trial.
